## *The Charm of History for a successful meeting*

The conference facilities at the San Francesco al Monte, covers three different rooms, with natural light, original frescoes of the sixteenth century and overlooking the Gulf of Naples. **45 rooms**, all created from the original monks' cells, which have a breathtaking **view of the Gulf of Naples**

### **The Ancient Refectory**

*160mq – max capacity: 200 people theatre style.*

The true heart of the convent, the place where the echo of distant prayers and readings that accompanied the meal time, is available today for conferences, banquets, gala dinners and themed parties. On the sides of the ancient refectory there are two small rooms useful for quick coffee breaks or secretary. The large space "ante-refectory" allows you to create an angle of recording, before the entrance in the hall or sponsor display

### **The Oven**

70sqm - Max Capacity: 40 pax in theater style.

In the picturesque wall carved into the tufa are still the remains of the old kitchens. Here it keeps alive the memory of the long nights when, without stopping, was baked bread to feed the poor refugees between the sacred walls.

Room perfect for representative meetings, press conferences, book presentations.

### **San Giovan Giuseppe Room**

80sqm - Max Capacity: 70 pax in theater style.

Access to the room through the old friar John Joseph of the Cross now Saint of Ischia and transformed by the monks in a chapel. The wooden ceiling and the view of the Bay give this room a unique charm and atmosphere.

The small terrace is a perfect place to organize coffee breaks or welcome cocktails

*All meeting spaces at the San Francesco al Monte, are provided with the most modern equipment: screen, video projector, sound system, podium, platform and WIFI are available for your set-up without additional prices*

Our key points: the evocative atmosphere of the place, our special attention to the customer, the unique position above the town of Naples but nearby all major touristic place of interests.

All requests of information are met within a maximum of 24 hours with ad hoc quotations, defined on your actual needs.
