*Dum tempus habemus operemur bonum*

AS LONG  
AS WE HAVE  
TIME  
WE WORK  
FOR EXCELLENCE

This is our motto. It is engraved in stone and in our experience. It summarizes the sense of organization, the tradition of giving a warm welcome and caring for details. This is what guides us in creating your event, your receptions.

At Villa Castelletti you feel the traces of an ancient culture, the inclination towards beauty and art, and the tradition of creativity. Through the years we have learnt how to set up a modern and versatile structure and have brought new efficiency and functionality to an antique building which is full of charm and fascination.

As long as you are our guests we will take care to make everything perfect.

THE MYSTERIOUS  
FASCINATION  
OF THE PAST

Our experience is not just limited to large numbers and big companies. The Villa has learnt how to transform itself into an intimate place reserved for the important moments of life: celebrations, ceremonies, parties, anniversaries and personal occasions.

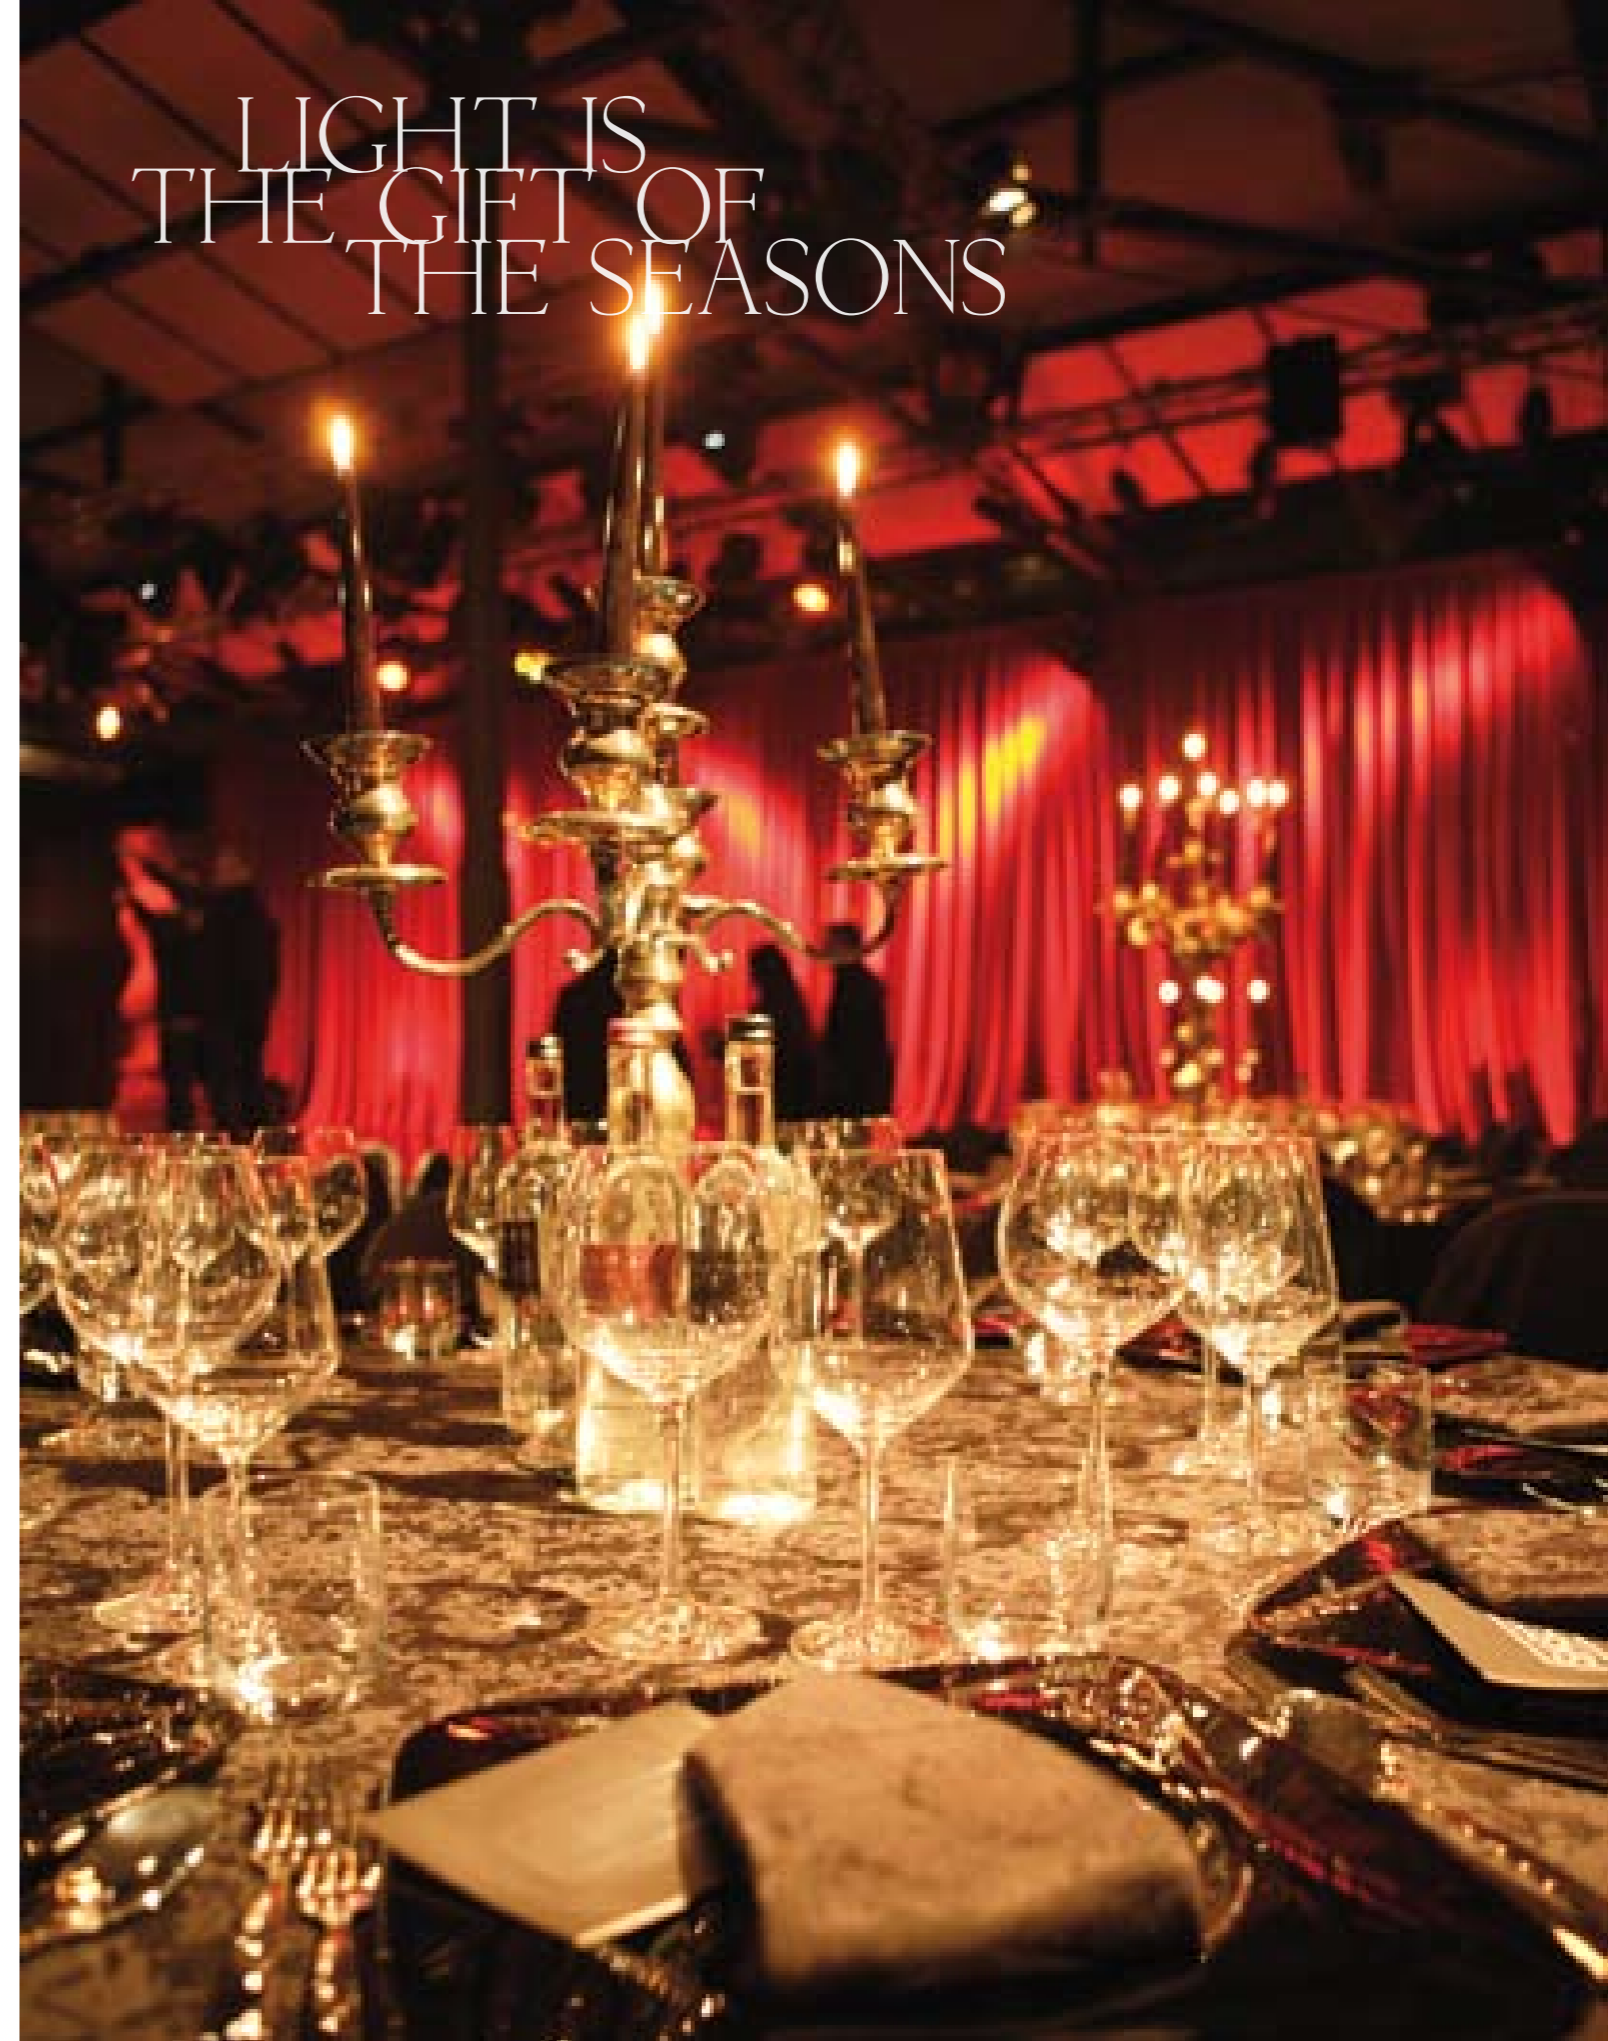

There are large welcoming spaces inside the villa on the Piano Nobile (main floor), in the Cantine (cellars) and in the Winter Garden, for a total capacity of 1500 people overall in the whole villa.

The whole structure is organized in different rooms which are all connected to each other yet well separate one from the other. It is ideal for the organization of congresses and conventions, fashion shows, company presentations, product launches, exhibitions, events of all types. Spaces outdoors can be used as well, and provide a lovely background to receptions, concerts and parties.

THE IDEAL  
SCENARIO

LIGHT IS  
THE GIFT OF  
THE SEASONS

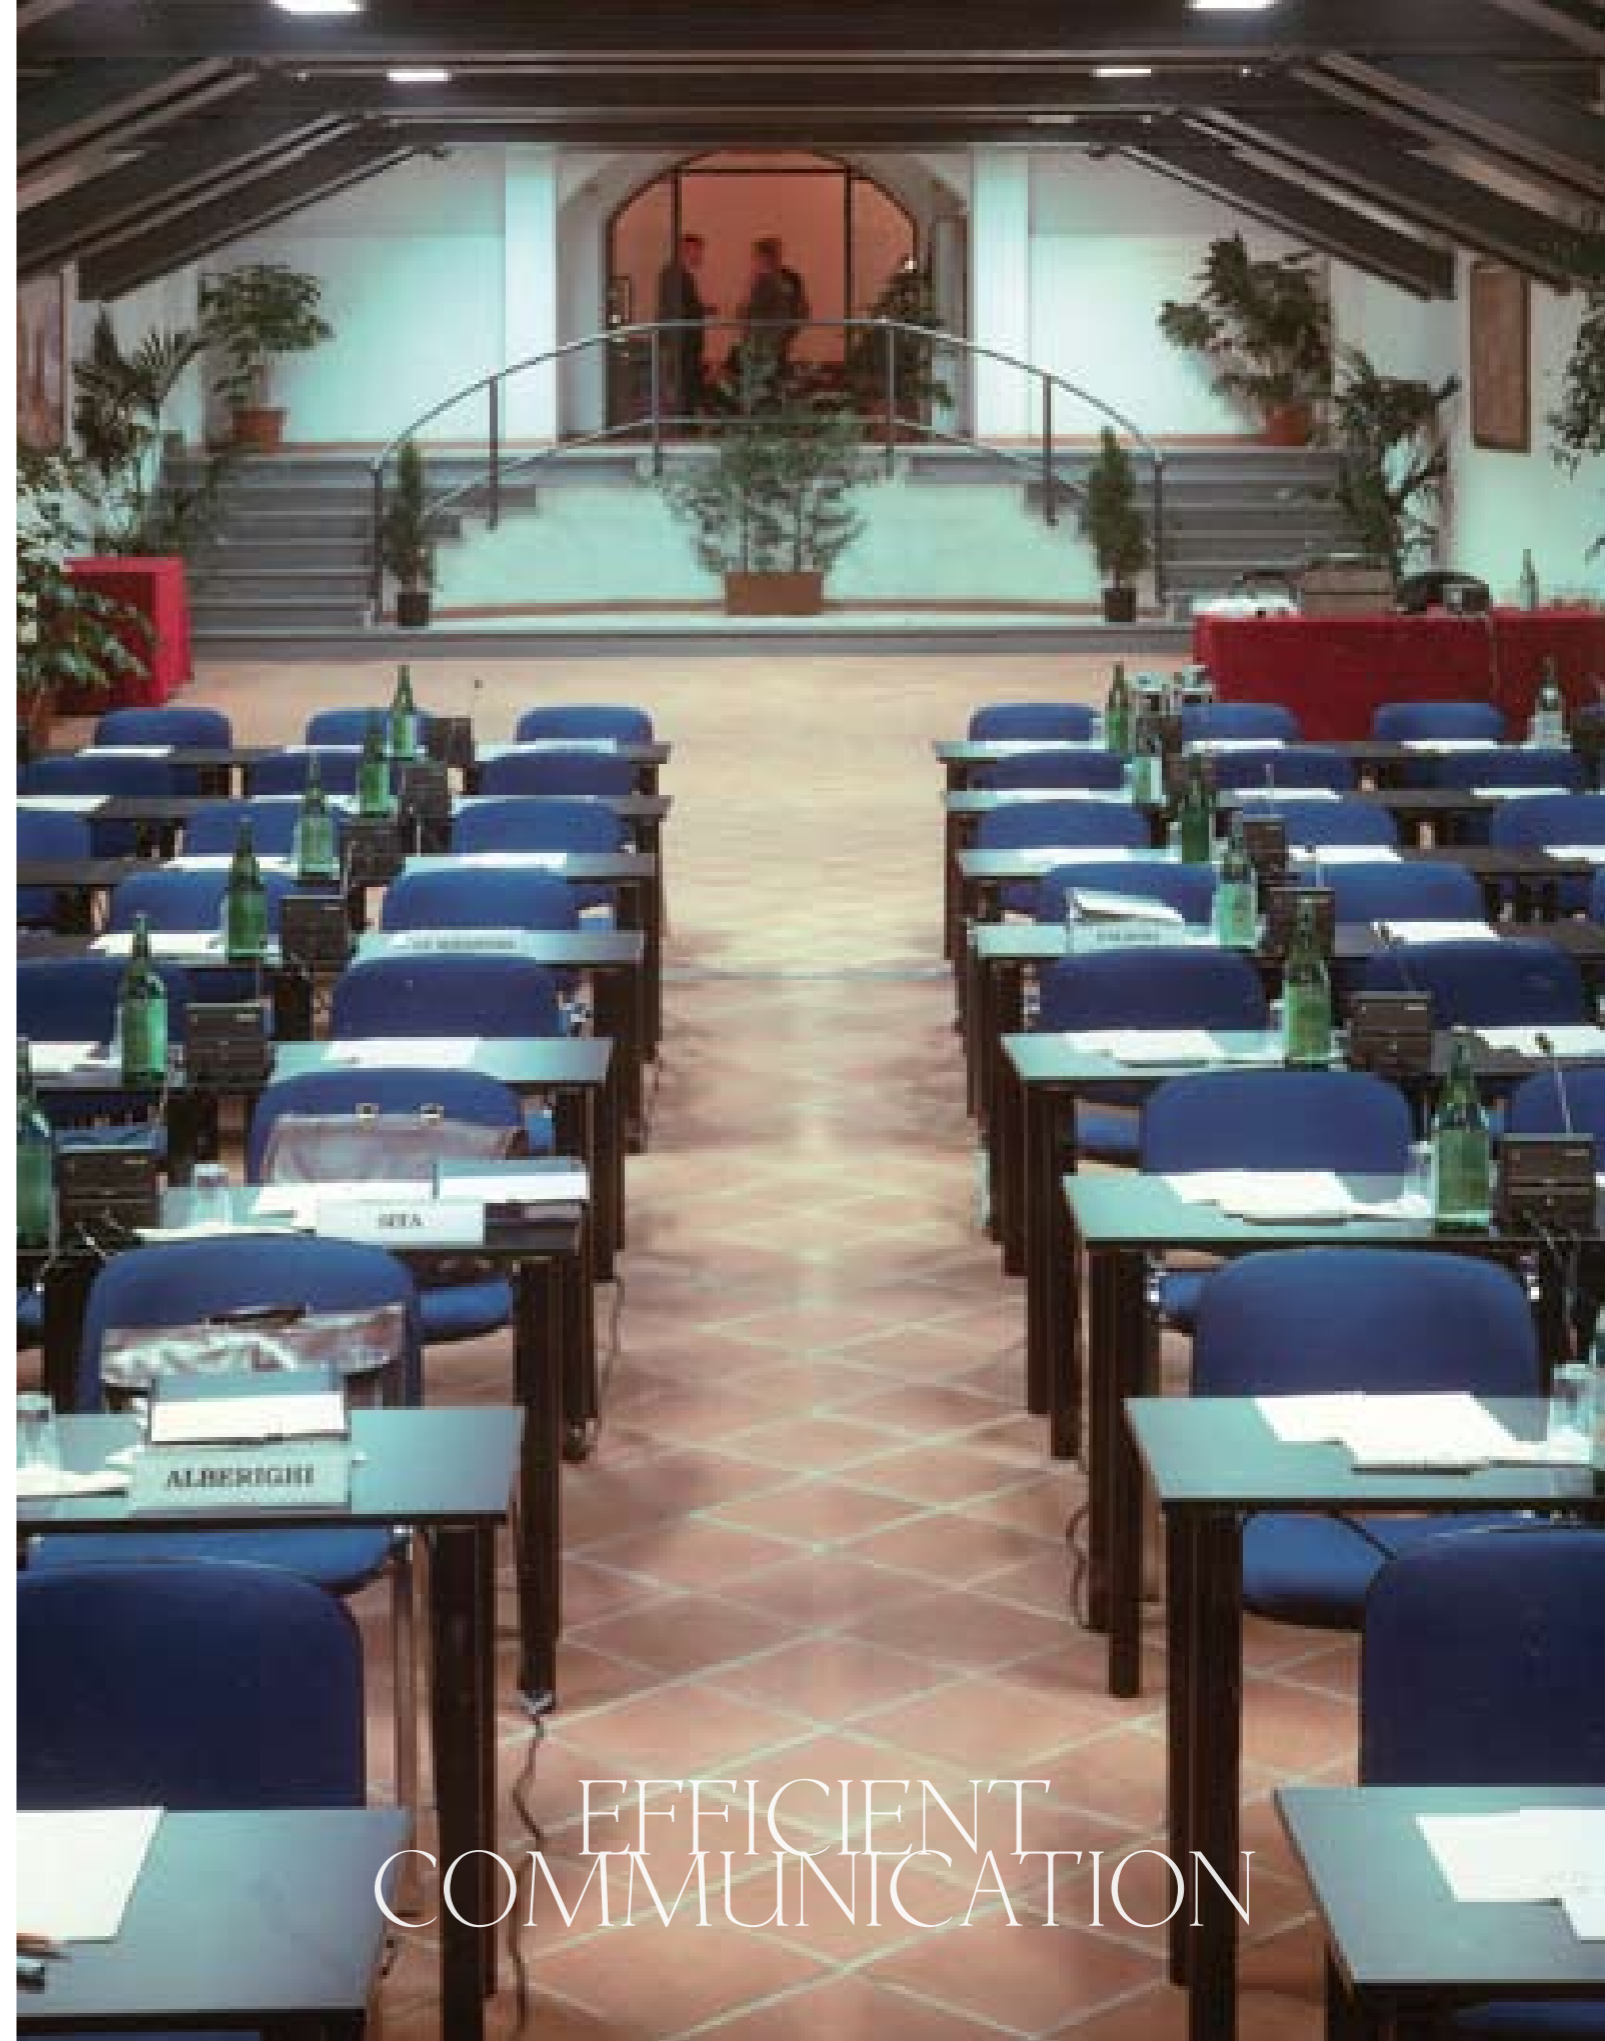

The Winter Garden is a large structure in cast iron which makes the vast space of the courtyard usable in all seasons. Automatic panels can be adjusted to create scenic effects with the light and colours coming in from the park. Your guests will be amazed!

THE SILENCE  
OF  
TRADITION

The renovation of the huge fifteenth century cellars has made six new halls available, all in different sizes, with typical Tuscan taste, red terracotta-tiled floors, elegant barrel-vaults, most suitable for meetings and conventions but also for exhibitions and art fairs.

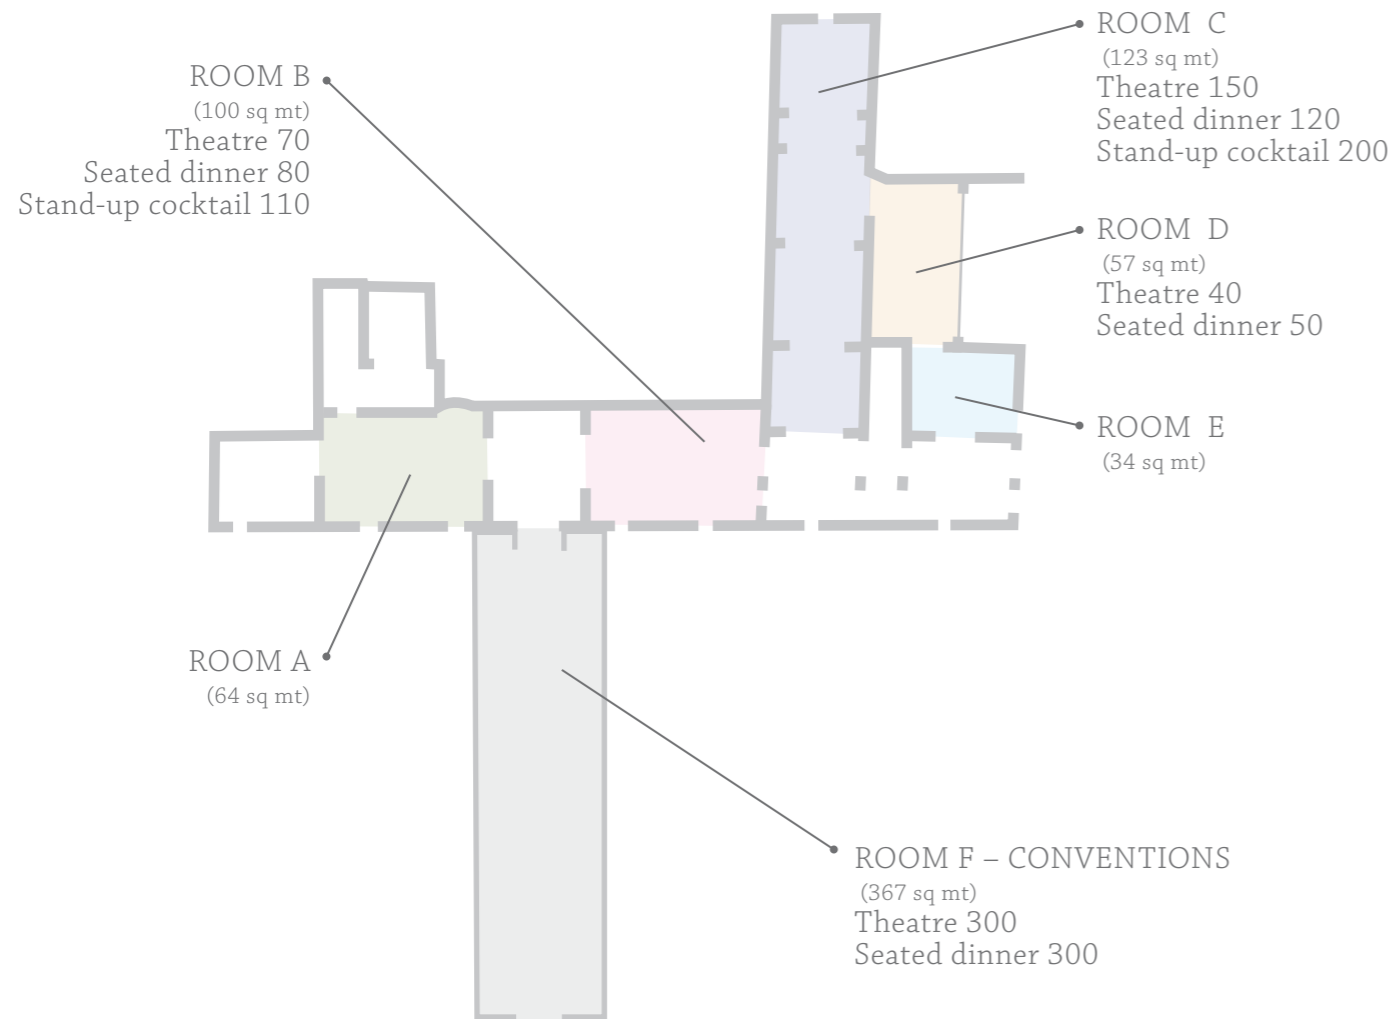

Our organizing secretariat has many years of experience in managing and coordinating a large group of highly specialized professionals. We can supply you with the support and assistance you need in order to guarantee the successful outcome of your event.

Catering services, transfers, logistics, assistance and complete organization for congresses, meetings, conventions, groups and incentives.
