VILLA GIULIA

VILLA GIULIA

Villa Giulia is all about colors, perfumes, flavors,
enchancing views and panoramas.

It speaks to you slowly, with respect and kindness,
telling stories, giving you advice
and revealing secrets.

Villa Giulia is a charming Relais overlooking the sea on the hills
between Fano and Pesaro, Central Italy, the Marche Region.

It offers its Guests a wide Mediterranean park for romantic walks,
a panoramic swimming pool surrounded by a centuries-old olive grove
and a gourmet restaurant with its organic vegetable garden.
