EVENTI

G&P Eventi

Drawing lessons from the past, but renewed in the form, in the spirit and in the contents, after 30 years of success, we introduce a new look in the world of business travel and event management.

Experience, professionalism, versatility

Always the foundation of our work.

G as Gabriella

The **passion** in the creation and management of Events, Conventions, Canvass, Incentives, Product Launches, Road shows, Programs tailored to individual incentives.

memorability, oddness, strength, deference

In one word

Extra-ordinary

A G&P Event

An event for us it is never just a logistics matter or a budget to manage. It is always a good time to strike at the heart, to leave a mark. A new sign.

For us it is the moment when the company shows its soul to his Customers. An investment in economic terms and relationships that must respond to a "why" and to a "thing".

In the mind, in the soul and in the heart.

Our services

P as Paolo

Perfect Trip

The Business Travel of G&P

Travelling for work is not just a ticket, a plane, a train, a hotel or a shuttle to organize.

We always are next to our customer at any time he needs a support: calm and saving, from the first booking to cost reporting.

**we travel with you
we do not ever leave you alone.**

Incoming of G&P

- On the strength of our extensive experience, we aim to be the company of reference for the Spanish and Latin-American tour operators who want a presence in Italy (DMC), or as a the most qualified agency to organize their clients' trips.
- We organize custom packages that match the needs and desires of our clients to make their stay unforgettable, unique and filled with memories they will treasure for life.
- Our philosophy is built on providing maximum client satisfaction and offering something new and exclusive, off the beaten track, and always in style.
- Thanks to its uniquely privileged location, Rome is the launching point par excellence for excursions to all the incredible places that Italy has to offer
